

REPRESENTING BARRY ACE

Heffel representing artist Barry Ace in British Columbia

Heffel is pleased to share that we are now representing Barry Ace in British Columbia. Ace is a visual artist and band member of M'Chigeeng First Nation, Odawa Mnis (Manitoulin Island), Ontario, Canada. His mixed media paintings and assemblage textile works explore various aspects of cultural continuity and the confluence of the historical and contemporary.

Ace has been included in a number of solo and group exhibitions, and can be found in public and private collections in Canada and abroad.

We are delighted to partner with Barry Ace and offer these outstanding works to collectors. We invite you to view available works in our Vancouver gallery or online at Heffel.com.

For more information or to view available works, please contact:
